

VIRTUAL LEARNING

We are happy that you have chosen Destined For Success to be a part of your child's village. We do provide breakfast and afternoon snacks. Please be advised that we help with assisting your child with virtual learning.

Tuition for the virtual learning experience is \$150.00 per week. Tuition has to be paid 1 week in advance. Every Friday before the next week begins the tuition has to be paid. Please have all of your child's devices and supplies they will need for school. Also, be sure to have their schedule and passwords available.
